THE MINIDOKA CHURCHMAN

Vol. II No. 40 HUNT, IDAHO Sat. January 22, 1944

REPORT ON THE YEAR 1943

The Church of the Holy Apostles is an established mission of the One, Holy, Catholic and Apostolic Church located in the Missionary District of Idaho which bishop is the Right Rev. Frank A. Rhea. The congregation at Hunt is comprised of former Episcopal Church members from various churches in Alaska, Washington, Oregon, California, etc..

The Vicar means the Deputy of the Bishop and he is assigned to administer to the spiritual and physical needs of the people in the particular locality. Through the Vicar each one of you belongs to the Bishop of Idaho who is your chief pastor.

The Church of the Holy Apostles is instructed to cooperate with the other Christian groups for the purpose of Evangelism, following the command of our Lord, "Go ye into all the world and preach the Gospel to every creature."

Of course, God Almighty may call people through other means, but we who were brought into the historic faith and followship of the Church must observe the Church's Sacraments and activites regularly and, faithfully.

The 1943 Statistics shows: There were three infant baptism, thirty four adult baptisms, fifty four confirmations, one burial, four marriages, thirty eight boys in the armed forces, and sixty three studdnts.

THE THIRD SUNDAY AFTER THE EPIPHANY

COLLECT

Almighty and everlasting God, mercifully look upon our infirmities, and in all our dangers and necessities stretch forth thy right hand to help and defend us; through Jesus Christ our Lord. Amen.

I received the Christmas Issue of the Minidoka Churchman today and avidly read the interesting articles for this special issue by the various churchmen connected, with our congregation. The paper and its articles certainly does bring me into closer ties with the church than ever before. The distance separating me from my family, church members and other friends does not seem to be of importance anymore. I do wish all of you had a happy Christmas and may the New Year bring nothing but happiness and prosperity and a happy end to this unfortunate conflict.

Miss Madeline Jacobsen sends greetings to the Church of the Holy Apostles. . . Through an item in one of the papers, I was able to get the address of a probably mutual friends, Fr. Joseph Hogben, by writing Deaconess Sims at Fort Hall. It pays to read the Minidoka Churchman.

Deaconess M. Poppers writes from New York. I arrived safely--I have read, marked, learned and inwardly digested all the W. R. A. reports and will start lecturing tomorrow. My regards to all.

Merrill-Keep, Northfield Seminary, E. Northfield, Mass.

Ruth Nakanishi writes. . . Northfield Seminary is a wonderful place and we are both(Martha) having a wonderful time, We had a wonderful time in West Hartford. While we were in Hartford, we had an invitation to go to a "International Tea" and we went. There we met 2 nice Chinese girls and also a Japanese girl. Her name is Aiko Tashiro and she is from Connecticut. it is rather cold here. Just yesterday it was six degrees--below zero.

Miss Nao Ohda, Chicago, Illinois writes. . . I 've been here three weeks, two weeks working. My job is pretty menial- but I'm living in a settlement house in

Chicago somewhat like Hull House which makes up for everything. The people here are wonderful and the work seems intensely interesting. I only got a key-hole view of it as I am just living here but even that gives me a very wide range of interesting contacts. I'm so glad that I'm getting the Churchman quite regularly 'cuz I was practically knocked over with amazement to find where everyone was. --Excerpts from letters from all parts of the country- and most of them people I know so well.

VISITORS Staff Sgt. George Kimura was here on a short visit with his wife. He is leaving for overseas duty.
